Yaoqi Liu, Jinglin Shi, **Xuyang Ma** *et al.,* A Data Transmission Method Based on Satellite Internet. Patent No. CN117914387A, China, 2024.

Xuyang Ma *et al.,* A Method for Testing Satellite Algorithms. Patent No. CN114780063A, China, 2022.

Teaching

2026 🔖 **Guest Instructor** (Feb 19)   SUTD
Additive Manufacturing for HealthTech

2025 🔖 **Teaching Assistant** (Jan – Feb)   SUTD
50.050 Discrete Mathematics and Algorithm Design

🔖 **Teaching Assistant** (May – Aug)   SUTD
10.020 Data Driven World

Awards

2019 🔖 **Champion**, International Collegiate Programming Contest China Invitational Contest (Nanchang)

🔖 **Gold Award**, China Collegiate Programming Contest Regional Contest (Qinhuangdao)

🔖 **Runner-up**, International Collegiate Programming Contest China Provincial Contest (Shandong)

🔖 **Silver Award**, International Collegiate Programming Contest Asia Regional Contest (Nanchang)

🔖 **Bronze Award**, China Computer Federation Collegiate Computer Systems & Programming Contest
